ROANOKE RAPIDS, the largest city in Halifax County, is a prosperous and progressive industrial city, located in North Carolina's richest, diversified agricultural section; 86 miles East of Raleigh, the State Capital; 103 miles Southwest of Norfolk, Virginia; 89 miles South of Richmond, Virginia; and 193 miles South of Washington, D. C.

POPULATION: According to U. S. Census, the City's population in 1940 was 8,545—99% American, while in 1930 it was 3,310. The increase in that ten year period was 158%, but conservative estimates, based on the continued rapid growth since 1940, place the present population at 14,500. The present estimated population for Roanoke Rapids township is 25,432 and for Halifax County, 63,100.

THE GOVERNMENT is vested in a Mayor and six city commissioners who are progressively administering the affairs of the City to provide the necessary facilities required for its rapid growth.

course, beautiful picnic grounds, swimming pool and a modern well-equipped club building for other social activities.

HOMES AND CHURCHES: Roanoke Rapids in all its prosperity has not forgotten its Churches, practically every denomination is represented with modern well-equipped buildings providing the City with a unity of Christian fellowship and a home-loving people. Home ownership is an outstanding trait and has produced many beautiful homes, making the City a friendly and gracious environment for home-loving people.

INDUSTRIES include eight textile mills, one of which, The Rosemary Manufacturing Company, is the largest damask mill in the world; two paper mills, Halifax Paper Company being one of the oldest Kraft Paper Mills in the United States; three brick plants, one lumber mill and numerous smaller industries. Total annual payroll is estimated at $10,000,000.00.

AGRICULTURE: Located in one of the most fertile sections of Eastern Carolina with its rich dark loam soil from the Roanoke River Valleys and plains makes farming one of the chief industries; cotton, corn, peanuts and tobacco being the major crops. The mild climate and long growing season combine to make housing of crops easy and profitable.

TRANSPORTATION is furnished by the Seaboard Air Line Railroad, Atlantic Coast Line Railroad, only four miles away at Weldon, and Carolina Trailways Bus Line, with 44 daily buses, and truck lines to all Northern and Southern centers.

NEWSPAPER: The Herald, daily and Sunday, is installing new equipment regularly with the view in mind of the ever increasing business expansion in this territory.

COMMUNICATION facilities include Western Union Telegraph, the Carolina Telephone and Telegraph Company with modern dial system, and 10 incoming and outgoing mails daily.

Post Office receipts in 1934 totaled $18,598.15; in 1940 $33,398.24; in 1946 $50,083.14 and in 1949 approximately $61,500.00.

RADIO STATION WCBT, Roanoke Rapids' locally owned radio station, serves a wide area of Notheastern Carolina and Southside Virginia. WCBT-FM, local frequency modulation station, is also on the air. WCBT was one of the earlier stations of the state to go on the air, and WCBT-FM is among the first of its type of broadcaster in the state.

FINANCIAL: Roanoke Rapids with its ever-increasing demand for modern banking facilities is well served by three of the best equipped banking institutions in North Carolina. The Roanoke Bank and Trust

Company, operating two branches, and Citizens Bank & Trust Company. Combined resources of $5,737,314.68. Two building and loan associations, the Roanoke Rapids Building & Loan Association and Rosemary Building & Loan Association, with combined resources of $1,351,833.66, are important factors in residential construction and financing.

TAXES in Halifax County and Roanoke Rapids are among the lowest in the State, due to good business management of the officials. The City tax rate for 1947 is $1.15 per $100 assessed valuation. The total assessed valuation in Roanoke Rapids is $18,300,000.00 and in Halifax County $39,002,669.00.

The county tax rate is 65 cents per $100 assessed valuation. Property in the city and county is listed for taxation at approximately one-half value, on the basis of today's market.

With these advantages, Roanoke Rapids offers the home seeker or industrial enterprise a community where life may be lived enjoyably and to the fullest advantage, and where business may be conducted with the greatest efficiency.

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at reguar rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE, AND DENOTING BUSINESS PLACES

VOL. IV 1950-1951 VOL. IV

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(•)—Before name denotes home-owner.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.
